Note : 1.If any seized case of business performance is involved with over two categories, every case of categories will be recorded accordingly and the total will be recorded once only. Therefore, the aggregation of the No.-Case about categories will be equal to or larger than the total number. The calculation about suspect of categories will be followed the same way. The following tables are the same as table 1-1.  
 2.The listed amendment is due to the change of "Handle of Conserved Wildlife Remains" from Other Business Performance/Others to Maintaining Marine and Coastal Resources/ Handle of Conserved Wildlife Remains since April 2020; however, due to the fact that data from 2000 to 2011 cannot be obtained, the historical data is traced back to 2012 only.  
 3.The listed amendment to the Seizure of Human Trafficking is due to the follow-up of the criminal group behind the crime, resulting in the addition of seven new suspects in March 2019.
