鞋底藏毒中正機場企圖闖關 海巡署破獲海洛英730公克

Drug trafficking concealing in shoe sole---Coast Guard Administration intercepts 730g of heroin at CKS Airport

高雄地檢署陳建和檢察官指揮海巡署屏東機動查緝隊、岸巡第六二大隊、桃園機動查緝隊、高雄市警局保安大隊、台北關稅局等單位組成專案小組，94.03.31在桃園中正機場第一航廈入境檢查室查獲犯罪嫌疑人蕭玖盛、潼長帆等2人挖空鞋底，企圖藏毒入關，當場起出海洛因毒品13包，總重逾730公克。

海巡署屏東機動查緝隊對於此案佈建已久，鎖定台中地區1名綽號「堂仔」的男子專門從事海洛因毒品販賣，因供不應求，常需派人前往大陸地區取貨。查緝人員掌握近日「堂仔」將指派二人出境運毒，轉為鎖定運毒的2人，在高雄地檢署指揮下，由屏東機動查緝隊與岸巡六二大隊、高雄警局保安大隊、高雄市調查處等單位組成專案小組，至桃園中正機場守候。

94年3月24日經鎖定之犯罪嫌疑人蕭玖盛、潼長帆搭中華航空CI8030班機自桃園中正機場出境前往香港轉赴大陸，同年3月30日12時許在大陸廣東省東莞市厚街鎮，由潼長帆接洽綽號「小虎」臺灣籍男子，將夾藏海洛因毒品之adidas運動鞋交由蕭玖盛

Directed by Kaohsiung District Court D.A. Chen, Chien-ho, the task force formed by the Coast Guard Administration Pintung Reconnaissance Brigade, Coast Patrol Corps 6-2, Taoyuan Reconnaissance Brigade, Special Police Corps of Kaohsiung Municipal City Police Administration, Taipei Customs Office have, on March 31, 2004, successfully intercepted suspects Shiao, Jiou-sheng, Tong, Chang-fan at the CKS Airport Terminal I interrogation room, allegedly attempting to smuggling in narcotics though hollow shoe sole found among the

two suspects, where 13 packets of heroin had been uncovered, weighing more than 730 grams.

Pintung Reconnaissance Brigade of the Coast Guard Administration has trailed the case for quite some time, and focused on a man nicknamed "Tang Zhai", who makes a living by peddling heroin, and often sends persons to traffic drugs from Mainland China for the steady demand. Coming upon the information that Tang Zhai is on the move again by

sending two persons for drug trafficking, investigators begin to lock on two traffickers. Under the command of Kaohsiung District Court D.A.'s Office, a task force made up of the Pintung Reconnaissance Brigade of the Coast Guard Administration, Coast Patrol Corps 6-2, Taoyuan Reconnaissance Brigade, Special Police Corps of Kaohsiung Municipal City Police Administration, Taipei Customs Office, Kaohsiung Municipal Investigation Office assembled at CKS Airport, Taoyuan to wait for the traffickers.

As intelligence locked the suspects Shiao, Jiou-shen, Tog, Chang-fan who boarded China Airline flight CI-8030 on March 24, 2005 at CKS

穿著，同日下午5時專案小組終於發現運毒的潼長帆(35歲)、蕭玖盛(34歲)自中國大陸廣東一同搭復興航空GE372班機自澳門入境桃園中正機場，查緝人員發現潼嫌穿著特大號運動鞋，走路模樣相當怪異，立即會同機場海關人員實施嚴檢，當場在蕭玖盛穿著之adidas牌運動鞋鞋底夾層中，查獲海洛因毒品毛重730.2公克(共計10包)，另在潼長帆所穿著之La new牌休閒鞋鞋底夾層中，查獲海洛因毒品毛重2.4公克(共計3小包)。

犯嫌蕭玖盛辯稱其所穿著之adidas運動鞋，係潼嫌之製鞋廠友人所贈，用來測試該鞋之功能，對於鞋底藏毒之事並不知情，然潼嫌則供稱該adidas運動鞋係綽號「小虎」友人所交付，並指示攜帶回國後再依電話指示交予指定之人，並坦承隨身穿著之La new牌休閒鞋底之所夾藏之毒品，係欲走私回國後自行吸食使用。

潼嫌是長期進出大陸運送仿冒精品的空中飛人，蕭嫌則是人力銀行職員，2人無法對毒品來源明確交代，只供稱成功闖關會有人主動聯絡；偵訊後經對照兩造之供詞明顯不符，該犯嫌蕭玖盛、潼長帆明知海洛因為我國行政院公告列為毒品危害防制條例第2條第1項所列之第1級毒品，不得非法持有或運輸、販賣，詎料渠等基於運輸第1級毒品海洛因不法利益，顯有觸犯毒品危害防制、懲治走私條例之嫌，因2人設籍台中縣，依法移送台中地檢署，扣案之海洛因毒品逕送法務部調查局鑑驗。

屏東機動查緝隊指出，藏毒於鞋的手法雖不陌生，但一雙鞋能塞入厚厚10包毒品極為罕見，經壓縮後毒藏鞋中，X光掃描機無法掃出，海關及緝毒犬也不易發現異狀，讓歹徒容易得逞，而本案在緝毒經驗豐富的海巡人眼中，卻無所遁逃。

International Airport in Taoyuan heading for Hong Kong for transiting to mainland China. At Houjeh Town, Dongguan, Guangdong, China at around 12:00 noon on March 30, Tong, Chang-fan has been spotted contacting a Taiwanese man nicknamed "Shiao Hu" for fetching a pair of Adidas sneakers, used for concealing heroin, which will later be worn by Shiao Jiou-sheng and at 5:00PM of the same day, the crackdown force spots the traffickers Tong Chang-fan (age 35), Shiao Jiou-sheng (age 34) boarding Fu Hsing Airline flight number GE-372 departing from Guangdong, China heading for

Taoyuan CKS Airport via Macao, where crackdown officers, finding suspect Tong wearing extra large sneakers and walks in a funny way. Shiao and Tong were uncovered 730.2 and 2.4 grams of heroin from their shoes.

Suspect Shiao Jiou-sheng has defended that the Adidas sneakers were gifts from Tong's shoemaking friend, intended to test the function of the shoe, and known nothing of the drug, whereas suspect Tong has defended that the Adidas sneakers had been entrusted by a friend nicknamed "Shiao Hu", who asks him to carry them back to Taiwan to be given to someone, and admits that the narcotics concealed in the sole of his La New leisure shoes has been intended for his own consumption upon returning to Taiwan.

Suspect Tong is known as a frequent traveler in and out from China smuggling counterfeit designer goods, and suspect Shiao is a Manpower Bank employee. Neither of them could provide clear explanation as to the origin of the drugs. They defended that someone would contact them after they pass through the customs successfully. Following the interrogation as the two suspects' confessions clearly run against each other, suspects Shiao Jiou-sheng and Tong Chang-fan have violated the provisions enlisted under par 1, Article 2 of the Narcotics Hazard Prevention Act promulgated by Executive Yuan. The Narcotics Hazard Prevention and Punishment against Trafficking Act is forbidding the illegal possession or trafficking, selling, taken into account their explicit intent of trafficking class one narcotics for illicit gain. The two, having registered in Taichung County, have been referred to the District Court of Taichung, Taiwan. The seized narcotic was sending to lab verification at the Ministry of Justice Investigation Bureau.

Pintung Reconnaissance Brigade asserts that although concealing drugs in shoe sole is nothing new, yet it is rather rare that as many as 10 packets of drugs could be stuffed into the shoe sole, which when compacted could not be scanned by the X-ray machine, nor by the drug-sniffing dogs, making it easier for the suspects to get away from the detectives. However, the case has been solved under the sharp eyes of the experienced Coast Guard Law Enforcement Agents.
