energize the staffing policy

海巡署繼去年底所屬機關首長及內部一級主管職務調動後，第二波的人事調整已於3月14日定案，署長許惠祐特於3月16日分批約見本次職務調動人員，並與其合影留念。

許惠祐針對這波人事異動特別表示，為統合發揮最高戰力，一體執行海巡任務，秉持「岸海合一、職務任期制、相互歷練、上下交流及分軌升遷發展」等原則，藉由人事調整，使軍、警、文職人員能融合共事，達到內外交流及活絡人事的目的，更進一步使得該署擬定政策的幹部，有機會到各地實際執行勤務，瞭解基層實務工作，在吸收基層實務操作及勤務經驗後，能將理論融會於實務，並精進實務執勤方式。

Following the initial round of position reshuffle among agency General Bureau heads and level one supervisors concluded late last year, the Coast Guard Administration's round two personnel reshuffle has been hammered on March 14; Administration Minister Syu Huei-you has received

the reshuffled personnel on March 16, and had group photos taken with the incumbent appointees.

With regard to the current round of personnel reshuffle, Syu Huei-you has asserted that in order to fully integrate the administration's human resources for maximum combativeness to uniformly carry out Coast Guard patrol missions, and by upholding a principle of integrating the shore and the sea and taking to a position-rated tenure system that is inductive of emulation, hierarchical mirroring and a welldefined promotional scheme, the Administration aims to achieve the objectives of excelling internal/external exchange and reinvigorating its staffing policy through task-sharing among its military, police and civil servant, and to further avail policy-making staffs a chance to experience field duties and to gain further awareness of rudimentary missions that would prepare them to further refine the means of practical duty implementation.
