

前 言

本署自 89 年 1 月 28 日成立，並在 107 年 4 月 28 日改隸於海洋委員會迄今，持續職司臺灣地區海域及海岸秩序與資源之維護，並戮力執行「海域治安」、「維護漁權」、「救生救難」、「海洋事務」及「海洋保育」五大核心任務，無論在近海及遠洋巡護、查緝走私與偷渡、海上救難、海洋環境保護、生態保育，以及為民服務工作等，都具有高度成效，並獲得社會大眾高度肯定。未來面對海域執法環境變遷、兩岸交流情勢演進及國際海洋事務發展趨勢，本署更將在既有的堅實基礎上，執行海巡艦艇發展計畫，創新執勤型態，充實巡護能量，捍衛主權、漁權；強化區域救援機制，充實海上災害防救能量，維護人民生命財產安全；賡續推動「安海」、「安康」專案，查緝走私偷渡及防制疫病入侵，並積極拓展國際聯繫網絡，推動跨境合作打擊犯罪機制，維護海域、海岸安全。

為使社會各界瞭解本署各項任務執行成果與機關發展，本署自 91 年起按年編印海巡統計年報，藉以呈現本署業務績效、人員統計及預算編製情形。97 年起全書刊以中、英文對照方式呈現，105 年起又因應資訊技術發展，並落實政府節能減紙政策，海巡統計年報停印紙本，僅以電子書刊方式發布。107 年海巡統計年報內容循例以歷年海巡統計年報架構為基礎，分為提要分析、統計表及附錄等 3 部分；均登載於本署全球資訊網，供各界查考錄用。由於資料範圍廣泛，若有疏漏之處，尚祈各界指正，無任感幸。

海洋委員會海巡署

中華民國 108 年 4 月

Preface

Established on January 28, 2000, Coast Guard Administration (CGA) was subordinated to Ocean Affairs Council on April 28, 2018 so far, it continues to be responsible for safeguarding marine region and coastal order for of Taiwan area, as well as protecting and using the marine resources. With enthusiastic implementation of the five core missions as "Public Security in the Sea Areas," "Maintenance of Fishery Rights," "Lifesaving and Rescue," "Marine Affairs," and "Marine Conservation", whether in offshore and ocean patrols, seizure of smuggling and illegal entry/exit, marine rescue, marine environmental protection, ecological conservation, and service works for people, they are highly effective and highly recognized by the public. Facing the environmental change of law enforcement at sea area, the evolution of the situation in cross-strait exchanges and international trends in ocean affairs in the future, CGA will further, on the existing strong bases, carry out ship development plans for marine patrols, innovate duty patterns, enrich patrol energy, and defend sovereignty and fishery rights; strengthen the regional rescue mechanism to enrich the disaster prevention and rescue energy at sea and maintain the safety of people's lives and property; implementing "An Hai" and "An Kang" projects to prevent smuggling, illegal immigration and disease invasion, and also actively expand international contact network, promote cross-border cooperation in combating crimes, and maintain maritime and coastal security.

In order to let all sectors of society understand the result of business carried out by CGA and its development, CGA has compiled the annual statistics report every year since 2002 in order to show the status of business performance, staff statistics and budget planning of CGA. This annual statistics report has been presented in both Chinese and English versions since 2008, but which was published electronically only since 2016 due to in response to the IT development, and the implementation of Energy Efficiency and Paper Reduction policy. The 2018 CGA annual statistics report as usual basing on the structure of annual statistics report over years is divided into three parts as summary analysis, statistical tables and appendixes. The Chinese and English reports will be available on CGA's World Wide Web for application by all circles. Because the materials are wide-ranging, and if there is any omission, your correction and instructions are highly appreciated.

Coast Guard Administration, Ocean Affairs Council
